

Amador County Zinfandel 2003

“The nose tells a PG 13 tale of Amador County Zinfandel: the provocative scent of cracked pepper and cooked fruit without the Wild West resin, raisin and high test alcohol character of some of the old vine, single vineyard wines from the celebrated region. This well rounded Zin is marked by a generous blackberry jam flavour that is enhanced with vanilla, licorice and peppery spice notes. it is plush and enjoyable, soft and smooth, with a pleasing sweetness that will make this a winner for a vast assortment of red wine drinkers.”
